

Church News.

FROM DAYTON, OHIO.

Boarded the train Saturday morning, Sept. 8, for Dayton, homeward bound from Conference. Spent the Sabbath with the little church in the city. Preached morning and evening. The evening service was at a private house, and was substituted for the C. E. service of the sisters. Must say this was one of the most pleasant services we have attended in a long time. Spiritual and full of zeal. God was with us, and felt in every heart. This little body should have our prayers and sympathy. They have had severe trials since their organization. The Ohio Conference should make some special effort to provide this place with regular preaching. Good could be accomplished in Dayton.

A. J. HIXSON.

Brother A. J. Hixson of Parsons, Kan., on his return from the Brethren National Conference at Ashland, Ohio, gave us a friendly call Saturday, Sep. 7. He remained with us over Sunday and preached two soul-reviving sermons; for which the members thank God and take courage. "Be thou faithful unto death, and I will give thee a crown of life." Rev. 2: 10.

FROM NEW PARIS, IND.

The Brethren of New Paris congregation had their Harvest meeting Aug. 25. Had with us brother D. V. Yoder of Milford, on previous evening, who interested his hearers very much. On Sunday, had two grand sermons by brother C. F. Yoder of Warsaw, Ind. Had a large and appreciative audience, and all went home feeling the better for having been there, and privileged to listen to cheering and soul stirring droppings of God's revealed will. Besides those mentioned, brother Bemenderfer of Dunlaps, and Brother Menaugh, our pastor were present. But sorry to say none could talk to us in the evening. Hope to see many more such days, and that the speakers will meet with us again. God bless them.

NOTES FROM THE WORKSHOP.

DEAR EVANGELIST:—While we have been silent quite a while with our correspondence, yet we haven't been idle. We are busy all the while, plenty of work, and we are, by the help of God, doing the best we can.

The work here in the Roanoke church is progressing nicely.

The regular prayer meeting on each Wednesday evening is not above the average in attendance, but the spiritual part is elevating and encouraging. Brother J. M. Wohlford is class leader, and does his work well. The Sabbath-school is well attended, and continues to grow spiritually as well as numerically. Brother J. M. Keefer is conductor, and he does his part. The regular services are well attended, with good interest, and arrangements are being made for our protracted meeting which we hope to be able to commence about October 1. There is some sickness in the neighborhood at present, which has deprived some of attending church. At this writing your unworthy servant is unable for duty. What the extent of disability may be, we cannot tell, but we hope and pray for the best. Our Harvest meeting was well attended, perhaps twelve hundred. A good meeting and every one seemed well pleased. We had able speakers in attendance. The managers of the restaurant cleared almost fifty dollars for the church.

Besides our work at Roanoke, we continue to serve the church at Auburn. The class here is wide awake, and working hard for the upbuilding of Zion. Brother Calvin Grube is conductor of the Sabbath-school, and the cause prospers under his management. His daughter Allie is pianist and is at home with the music. They have good music, which is the life of any worship. The Brethren are represented there by good people. The Grubes, Masons, Smiths, Simons, and many others, who are firm and true. They held their Annual Harvest meeting on Saturday, August 31, the day being very disagreeable. The attendance was not large, but notwithstanding the inclemency of the weather, the meeting was well attended by all. Spiritually, some were built up. The arrangements were good, and if the class would have had a pleasant day, they surely would have more than exceeded their expectations.

The plant started last spring at Garret City, is in a flourishing condition; all the prospects are good for the future. However, it is not without opposition, and many a time has it been assailed by the enemy, but "if God be for us who can be against us."

I am glad to hear of the success in the church at Lapaz. We know the battle ground, and a good number of the Lord's soldiers. We have labored with them as pastor, and had the pleasure of seeing a goodly number turn to Jesus. God bless Brother Miller, and make him a power for good, and his flock as well.

We were not able to attend the National Conference, but we prayed for the Lord to be there, and guide the work to his own praise and glory. We hope that much good may result from this Conference.

I remain your servant in the Lord,

J. H. PALMER.

TO THE BRETHREN CHURCHES OF OHIO.

The state conference has decided last spring at Ashland, that a certain amount be assessed on each local church for the support of the Ohio Home Mission, and that one half of said amount should be paid on or before the first day of October 1895, and as the time is now nearly here, I will give this reminder. The secretary is instructed to keep on dunning until the required amount will be forth coming. Now Brethren, please don't put me to any more inconvenience than is really necessary. The board can not do any work before they have the money. Calls are already on hand for work this fall and winter, from different places. Please attend to this matter at once. The amount for each church is stated in the report of the conference, if you have it not, send me a card and I will send you the amount.

FROM NORTH GEORGETOWN, OHIO.

The brethren and sisters of this place are yet active, pushing along with all their power the cause of the Master. Brother Kimmel doing his very best, constantly sewing and frequently reaping. We hope to have a grand revival this fall by the help of some able Evangelist, and we know that many who have hitherto been counting the cost will turn in with the overtures of mercy. Brother Kimmel preaches here every three weeks, on Saturday evening, Sabbath morning and evening. Sunday school every Sabbath morning. S. S. C. E. meets every two weeks. Very good interest in all of these exercises. Truly the Lord has blessed us abundantly as a church. May the good work go on. We trust all will pray for us to better enable us to fight the battles of the Lord manfully, so as to get a just recompense of reward.

G. A. RUPP, Cor. Secretary.
